

**6th Grade Supply List-All Subjects
Stephenson Area Public Schools
2023-24**

Earbuds-Students will need their own pair of earbuds to use this year. Headphones are acceptable as well. These should be labeled with your child's name.

Accordion Folder -

Your child will need a folder system this year that is labeled with their classes: (Math, Science, ELA, Social Studies and Rounds). They will also have PE and Enrichment. This folder will go to all classes with your child along with their chromebook. This folder should also come home with your child every evening along with their chromebook for charging. Keeping this folder organized will be something that we work on in class this year. Please do not remove any papers from this binder without checking with your child first. We will not be using our desks this year so everything will be in this organized folder system.
