27	Oops- I Wish I Could Put Those Words Back In My Mouth!	Self-Regulation	Self-Management	Students will learn about impulse control and the importance of choosing words carefully when emotions run strong.
28	Managing Strong Emotions	Self-Regulation	Self-Management	Students will recognize strong emotions and identify a strategy to manage them.
29	Butterflies In My Belly: How To Handle Being Nervous	Self-Regulation	Self-Management	Students will learn what it means when someone explains feelings of nervousness by saying you have butterflies in your belly. Students will explore what clues our body give us to tell us we are nervous.
30	You're In Control	Self-Regulation	Self-Management	Students will describe the choices they have in how they respond to situations.
31	What's In My Tool-Box?: Using Coping Skills	Self-Regulation	Self-Management	Students will learn about their personal toolbox of coping skills and the techniques they can practice when feeling overwhelmed

Week	Lesson	Theme	CASEL Competency	Lesson Description
32	Tobacco, Alcohol, And Saying No	Substance Abuse Prevention	Responsible Decision Making	Students will learn that tobacco and alcohol are legal substances that can be harmful, and identify how to say no to peers.
33	Sleep Is Important To My Body And Brain	Physical Health & Wellness	Social Awareness	Students will learn the health impacts of sleep on one's developing brain and body
34	Online Safety	Digital Literacy	Responsible Decision Making	Students will learn ways to stay safe when online, including the importance of never revealing personal information.
35	Screen-Time: How Much Is Ok?	Physical Health & Wellness	Responsible Decision Making	Students will learn the importance of engaging in forms of creative imaginative play that go beyond a screened device
36	What Is College?	Academics & Study Skills	Responsible Decision Making	Students will learn what college is and how college is different from their current school.
37	What Is A Lifelong Learner?	Academics and Study Skills	Social Awareness	Students will be introduced to the concept of lifelong learning and types of learning that occur outside the scope of formal education
38	POST-TEST SURVEY			

Week	Lesson	Theme	CASEL Competency	Lesson Description
1	PRE-TEST SURVEY			
2	How Rules Keep Us Safe	Physical Health & Wellness	Responsible Decision Making	Students will understand school and classroom expectations by looking at rules as a way to keep kids safe
3	Showing Respect At School	Self-Regulation	Social Awareness	Students will learn ways to show respect not just through words but through choices and tone of voice.
4	The Platinum Rule	Behavior Management	Social Awareness	Students will define and explain the difference between The Golden Rule and The Platinum Rule.
5	How To Be A Responsible Student	Academics and Study Skills	Responsible Decision Making	Students will learn about responsibility and what types of expectations they will meet in regards to their actions and choices.
6	Being An Active Listener	Academics and Study Skills	Responsible Decision Making	Students will learn that a good listener is not just quiet, but also keeps a still body and eyes on the speaker.
7	I Control My Words And Actions: Driving My Behavior Car	Behavior Management	Self-Management	Students will learn that sometimes we react quickly when we are upset, almost like a car without breaks. Our behavior is a car driven by us, it is in our control. Sometimes this means we need to 'hit the breaks' and slow down before we react.
8	Staying On Task	Behavior Management	Self Management	Students will learn about staying focused on the task at hand, even if others may be off task.
9	Completing My Work	Academics and Study Skills	Responsible Decision Making	Students will learn the importance of completing classwork and homework.
10	Someone Is Pushing My Hot Buttons!	Behavior Management	Self-Management	Students will learn about emotional triggers by exploring the following questions: What is a hot button? What are your own hot buttons? Maybe it is when things seems unfair or someone is unkind? Instead of getting upset, use your words to let people know how you feel.
11	Acting Out	Emotional Health and Wellness	Self-Awareness	Students will tell how emotions are linked to behavior.

Week	Lesson	Theme	CASEL Competency	Lesson Description
12	Practicing Mindfulness	Emotional Health and Wellness	Self-Management	Students will understand the concept of mindfulness as a way to slow our busy brains by thinking of a snow globe with swirling thoughts to settle.
13	Celebrate Mistakes! (Learning From Failure)	Emotional Health and Wellness	Self-Awareness	Students will learn there should be no shame in making mistakes because mistakes are proof that people are learning and growing.
14	The Sound Of Emotions	Emotional Health and Wellness	Self-Awareness	Students will identify emotions by language, tone of voice, and how we feel inside.
15	When I Feel Ashamed: Understanding My Body's Clues	Emotional Health and Wellness	Self-Awareness	Students will learn that sometimes when people feel embarrassed about something we have done wrong, we can often feel it in the way our body reacts. How can you make it better so you feel better?
16	How Can I Keep My Classroom Peaceful	Global Empathy/ Perspective Taking	Social Awareness	Students will explore the aspects of a peaceful classroom climate and how it supports their learning.
17	Being Kind To Classmates	Relationship Skills	Social Awareness	Students will understand the importance of kindness in words and deed in their classroom
18	Bullying Hurts	Bullying & Prevention	Social Awareness	Students will define bullying and differentiate between bullying and teasing.
19	Practicing Patience-How To Not Interrupt And Disrupt	Self-Regulation	Self-Management	Students will learn the importance of showing patience by not interrupting others who are speaking and not disrupting the classroom climate.
20	Why Should I Share?	Relationship Skills	Relationship Skills	Students will learn the importance of sharing in the classroom, at school and at home. Students will learn about how shared spaces mean shared responsibility.
21	Personal Space/ Boundaries	Self-Regulation	Self-Awareness	Students will explore personal boundaries and the importance of having safe space. Students will learn about physical and emotional boundaries that determine appropriateness.

Week	Lesson	Theme	CASEL Competency	Lesson Description
22	Practice, Practice, Practice	Goal-Setting & Future-Planning	Self-Management	Students will understand that learning takes repeated practice, and that practice that uses good work habits leads to learning and improvement.
23	How To Be A Good Friend	Relationship Skills	Relationship Skills	Students will learn ways to be a good friend, including inviting others to join in, taking turns, and listening to everyone's ideas
24	Friendship Is A Two-Way Street	Relationship Skills	Relationship Skills	Students will explain how friendship is a two-way street and describe how friends should treat us.
25	Resolving Conflicts With Friends	Relationship Skills	Relationship Skills	Students will feel empowered to start resolving their own conflicts with friends rather than seeking an adult mediator by using basic problem solving skills.
26	Treating School Materials With Respect	Responsible Decision Making	Social Awareness	Students will understand the idea of a classroom community and a shared responsibility for the materials within their space.
27	How Can I Help My School Community	Responsible Decision Making	Social Awareness	Students will learn small ways to make big differences in their school community, including helping peers keep things clean by pitching in after a messy project .
28	Everyone Makes Mistakes	Self-Regulation	Self-Management	Students will describe how to manage their emotions after making a mistake.
29	Let's Cool Down	Self-Regulation	Self-Management	Students will describe the steps of the cool down process.
30	Using Coping Skills	Self-Regulation	Self-Management	Students will learn about general coping skills, such as self-calming techniques, and also explore tools which equip them with the ability to manage strong emotions
31	How To Solve A Problem- Think First, Then Act!	Self-Regulation	Self-Management	Students will practice impulse control by learning ways to think about a problem first instead of reacting on emotion.
32	Learning To Compromise	Behavior Management	Relationship Skills	Students will learn what it means to find 'common ground' between two people or groups by focusing on what is agreeable

Week	Lesson	Theme	CASEL Competency	Lesson Description
33	Is Fair Always Equal?	Global Empathy/ Perspective Taking	Social Awareness	Students will explore fairness by looking at situations as equal and equitable.
34	Let's Celebrate Each Other	Global Empathy/ Perspective Taking	Social Awareness	Students will explain why we should celebrate others.
35	What Do We Have In Common? Finding Ways To Get Along With Everyone	Global Empathy/ Perspective Taking	Social Awareness	Students will learn about commonalities amongst all people showing we have something in common with everyone, even when everyone doesn't have the same interests.
36	Effects Of Substances On The Body	Substance Abuse Prevention	Responsible Decision Making	Students will identify the effects of legal and illegal substances on the body, ways to say no, and trusted adults to tell about pressure to use these substances.
37	College Words To Know	Academics & Study Skills	Responsible Decision Making	Students will learn vocabulary words associated with applying to, living at, and graduating from college.
38	POST-TEST SURVEY			

Week	Lesson	Theme	CASEL Competency	Lesson Description
1	PRE-TEST SURVEY			
2	There Are So Many Rules!	Behavior Management	Responsible Decision Making	Students will understand that although you may not always agree with rules, you still have the responsibility to follow them.
	Is Fair Always Equal?	Global Empathy/ Perspective Taking	Social Awareness	Students will explore fairness by looking at situations as equal and equitable.
3	Showing Respect At School	Behavior Management	Social Awareness	Students will learn that showing respect goes beyond the words we use with adults and peers to also include the way we treat our school materials and environment.
4	Get It All Together!	Academics and Study Skills	Self-Management	Students will identify and apply an organization system for materials.
4	Effects Of Substances On The Body	Substance Abuse Prevention	Responsible Decision Making	Students will identify the effects of legal and illegal substances on the body, ways to say no, and trusted adults to tell about pressure to use these substances.
5	What Is A Growth Mindset?	Emotional Health and Wellness	Self-Awareness	Students will be introduced to a growth mindset and how this differs from a fixed mindset. Students will learn why a growth mindset is important at school and in life.
6	Working With Strengths	Emotional Health and Wellness	Self-Awareness	Students will understand that every person has their own unique strengths and difficulties.
7	Learning How To Listen	Behavior Management	Social Awareness	Students will identify ways to listen to other's feelings and opinions.
8	Is My Screen Keeping Me Awake?	Physical Health & Wellness	Self-Management	Students will learn the importance of good sleep hygiene and how their screen time can impair deep sleep. Students will understand the importance of moderation in use as the stimulation of screened devices may become a distraction from other tasks.
9	What Triggers Our Emotions?	Emotional Health and Wellness	Self-Awareness	Students will identify triggers for our emotions.
10	Feelings, Feelings, Too Many Feelings! 105988	Emotional Health and Wellness	Self-Awareness	Students will identify conflicting emotions a person might have and why someone might have them.

Week	Lesson	Theme	CASEL Competency	Lesson Description
11	Some People Are Born Shy	Emotional Health and Wellness	Self-Awareness	Students will learn that shyness is a personality trait that others can learn to understand and relate to.
12	If You Can't Say Something Nice To Yourself	Self Regulation	Self Awareness	Students will describe positive self-talk to manage insecurity.
13	I Just Have To Say It!	Behavior Management	Social Awareness	Students will learn when they should say something or keep it to themselves. Students will learn ways to know when it is appropriate to interrupt, and how to get someone's attention respectfully.
14	Give Me A Break!	Self Regulation	Self-Management	Students will learn how to manage themselves and their emotions by knowing when to calm down and how.
15	Handle Your Anger	Behavior Management	Self-Management	Students will learn to recognize behaviors of an angry person, including physical cues. Students will learn coping methods for calming down from anger, and what might have triggered the anger in the first place.
16	I Need A Remote Control For My Behavior!	Self-Regulation	Self-Management	Students will reflect on impulse control by looking at behavior and asking: If I could pretend my behavior reacted to a remote control, then I could PAUSE before I acted, FAST FORWARD to see the consequences of my actions and REWIND to reflect on previous situations. I might decide to STOP my behavior before hand.
17	Be Against Bullying	Bullying & Prevention	Social Awareness	Students will learn to recognize what bullying is and what bullying behaviors are.
18	How To Be An Upstander	Bullying & Prevention	Social Awareness	Students will learn that a bystander is someone who watches a bully pick on a person without getting involved, but by being an upstander, students decide to be a person who helps make a difference by jumping in to help or getting an adult who can help.
19	Who Are You?: Online Reputation	Digital Literacy	Responsible Decision Making	Students will explain what a reputation is and describe how online behavior can affect their lives.

Week	Lesson	Theme	CASEL Competency	Lesson Description
20	Being Safe Online	Digital Literacy	Responsible Decision Making	Students will learn the importance of good digital citizenship by learning ways to stay safe when online.
21	Why Set Goals?	Goal-Setting and Future-Planning	Self-Management	Students will name reasons why people set goals.
22	How To Be A Good Friend	Relationship Skills	Relationship Skills	Students will learn the qualities people value in a friendship and explore the qualities they personally value in a friend. Students will learn ways to foster healthy friendships.
23	Let's All Get Along	Global Empathy/ Perspective Taking	Social Awareness	Students will define tolerance and identify situations where tolerance is used.
24	What Do We Have In Common? Finding Ways To Get Along With Everyone	Global Empathy/ Perspective Taking	Social Awareness	Students will learn that not everyone has to be friends, but everyone must find ways to get along well with each other which starts by finding similarities amongst our peers.
25	Do I Have To Like Everyone?	Relationship Skills	Relationship Skills	Students will recognize ways to treat people who they do not get along with.
26	How Can I Help My School Community	Responsible Decision Making	Social Awareness	Students will feel empowered to help their school communities by showing ownership over ways they can make a difference.
27	Everyone Needs Friends	Relationship Skills	Social-Awareness	Students will identify the characteristics of a good friend and give examples of ways to make new friends.
28	Resolving Conflicts With Friends	Relationship Skills	Relationship Skills	Students will learn ways to peacefully resolve conflicts with friends including listening to others' perspectives, compromising, sharing, and apologizing.
29	Being An Active Listener	Responsible Decision Making	Relationship Skills	Students will learn that good listening goes beyond sitting quietly with eyes on speaker, it is also about reflecting on what is being said and formulating thoughtful questions and responses to show one's engagement.
30	It's Not My Fault!: Accepting Responsibility	Responsible Decision-Making	Social Awareness	Students will describe ways to accept responsibility by admitting to mistakes instead of misplacing blame.

Week	Lesson	Theme	CASEL Competency	Lesson Description
31	Learning To Compromise	Self-Regulation	Social Awareness	Students will learn types of compromise including no one wins, only one wins, and win-win. Students will learn the steps to arrive at a win-win compromise by understanding that if one gives in a little, one can often gain a lot.
32	Unsafe Touches Are Not Okay	Physical Health & Wellness	Self-Awareness	Students will define what sexual abuse means and what to do if someone is abusing you.
33	Yuck, I'm Not Feeling Well...	Substance Abuse Prevention	Responsible Decision Making	Students will identify types of medicines (prescription and over the counter) and how they can affect your body.
34	The Branches Of Your Family Tree	Relationship Skills	Relationship Skills	Students will identify roles of extended family members.
35	What Can I Do After High School?	Goal-Setting and Future-Planning	Self-Management	Students will learn about different kinds of higher education, different kinds of certification and degrees, and the kinds of jobs available at each level.
36	Be Smart With Your Money	Goal-Setting and Future-Planning	Responsible Decision Making	Students will examine ways bartering began exchanges of goods and how people earn money.
37	Get Outside And Play!	Physical Health & Wellness	Self-Management	Students will identify benefits to the body and mind from being in nature.
38	POST-TEST SURVEY			

Week	Lesson	Theme	CASEL Competency	Lesson Description
1	PRE-TEST SURVEY			
2	You Can Do It!	Academics and Study Skills	Self-Awareness	Students will identify mindsets that support or detract from accomplishing goals
3	Learning How To Problem Solve At School	Academics and Study Skills	Responsible Decision Making	Students will learn that everyone has problems, but as we get older it is important to start trying to brainstorm solutions instead of relying on adults to solve problems for them. Once students identify a problem, they can try to think of as many solutions as possible, then pick the best one. The best one is usually the solution that has the most pros and the least cons.
4	Stick With It!	Behavior Management	Self-Management	Students will learn what being on-task and what being off-task means. Students will learn what causes distractions and how to focus, as well as the definitions of concentration and perseverance.
5	Predicting Consequences	Responsible Decision-Making	Responsible Decision Making	Students will reflect on the idea that we cannot predict the future, but we can use our past decisions and experiences to help us predict the consequences of our future actions. Everything we do has a positive or negative consequence attached, we can use what we have learned to decide if something is the smart choice.
6	Learning From Mistakes	Emotional Health and Wellness	Self Awareness	Students will identify ways to deal with and learn from behavior issues.
7	What Do I Say To Myself?	Emotional Health and Wellness	Self-Management	Students will describe what self-talk is and its impact on our attitude and effort.
8	Why Do Mixed Feelings Happen?	Emotional Health and Wellness	Self-Awareness	Identify the multiple emotions someone might feel about a situation and why.
9	How To Work Well In Groups	Relationship Skills	Relationship Skills	Students will learn group work is an important part of school because they need to learn how to collaborate, learn what a good group member says and does to help the group be successful.

Week	Lesson	Theme	CASEL Competency	Lesson Description
10	Everybody Wins!	Behavior Management	Relationship Skills	Students will identify ways to resolve conflicts resulting in a win-win compromise.
11	Conflict Resolution-How To Apologize	Behavior Management	Relationship Skills	Students will learn how to resolve conflicts by owning their role in the conflict, expressing a sincere apology for the part they played, and relaying a plan to prevent a similar incident in the future.
12	The Problem Of Bullying	Bullying & Prevention	Social Awareness	Students will be able to define bullying behaviors and learn how to handle bullying.
13	Am I An Upstander Or A Bystander?	Bullying and Prevention	Relationship Skills	Students will learn the definition of a bystander and an upstander in terms of bullying witnesses and how to be empowered to stand up for those who need it.
14	Posting Is Forever	Digital Literacy	Social Awareness	Students will identify the potential risks of posting photos, messages, or personal information.
15	Emotional Intensity	Emotional Health and Wellness	Self-Awareness	Students will determine the intensity of emotions.
16	Full Of Energy!	Emotional Health and Wellness	Social Awareness	Students will learn ways that hyperactivity can affect the lives of those with and without ADHD, and techniques to manage hyperactivity.
17	Oh Man, Am I Angry!	Behavior Management	Self Management	Students will learn which circumstances are likely to anger people, and how to deal with anger.
18	Being More Patient	Self Regulation	Self Management	Students will learn the importance of patience and be introduced to the concept of delayed gratification.
19	Leave Negative Nelly And Ned Behind	Self Regulation	Self-Management	Describe positive self-talk to manage anger.
20	Which Strategies Work To Manage My Stress?	Self-Regulation	Self Management	Students will learn how to determine the best calming strategies for each situation.
21	Taking Care Of Our World	Global Empathy/ Perspective Taking	Responsible Decision Making	Students will identify ways to care for the environment, both globally and locally.

Week	Lesson	Theme	CASEL Competency	Lesson Description
22	The Power Of Empathy	Global Empathy/ Perspective Taking	Social Awareness	Students will learn about how their perception affects their understanding, so is important to view things from multiple perspectives to broaden one's empathy skills
23	How Can I Help My Friend?	Physical Health & Wellness	Social Awareness	Students will identify ways to help friends who are being abused.
24	Being More Resilient	Self Regulation	Social Awareness	Students will learn the definition of resilience and view examples of people who have shown resilience as a way to improve their personal ability to persevere over obstacles.
25	Finding Success With Goals	Goal-Setting and Future-Planning	Self-Management	Students will create goals and describe the steps to achieve them.
26	Am I A Good Listener?	Self-Regulation	Social Awareness	Students will evaluate their personal listening skills and find ways to make improvements in their ability to fully attune to what is being presented.
27	Take A Break And Relax	Physical Health & Wellness	Self Awareness	Students will define relaxation and recreation and give examples of both.
28	Friendships Can Be Tough	Relationship Skills	Relationship Skills	Students will describe ways to resolve conflicts in a friendship.
29	How To Make A New Friendship Grow	Relationship Skills	Relationship Skills	Students will learn about cultivating new friendships including finding common interests, growing trust and building rapport.
30	They Said What?: Talking Behind Your Back	Relationship Skills	Social Awareness	Students will recognize that talking behind someone's back is hurtful and there are ways to resolve these issues.
31	How To Be A Clear Communicator	Relationship Skills	Social Awareness	Students will learn the importance of clear communication including eye contact and appropriate tone of voice for the situation, as well as how communication changes when talking to adults versus peers.
32	The Responsibility Of Growing Up	Responsible Decision-Making	Responsible Decision Making	Students will name ways responsibilities change as people grow up.

Week	Lesson	Theme	CASEL Competency	Lesson Description
33	Learning From Failure	Self Regulation	Self Awareness	Students will explore the value of lessons learned from mistakes including famous figures who have made mistakes and excelled because of the what they learned from the experience.
34	Getting Along With Siblings	Relationship Skills	Relationship Skills	Students will identify reasons why brothers and sisters fight and describe ways to get along with siblings.
35	Spending Wisely	Goal-Setting and Future-Planning	Responsible Decision Making	Students will explain the difference between needs and wants in regards to spending money.
36	Medicine At School	Substance Abuse Prevention	Responsible Decision Making	Students will be able to recognize reasons why medicines at school need to be given with special care.
37	School Is Never Over!	Academics & Study Skills	Responsible Decision Making	Students will learn about the need to always seek new education. Students will learn about new job possibilities that don't exist yet, and jobs that have gone extinct because of changing technology.
38	POST-TEST SURVEY			

Week	Lesson	Theme	CASEL Competency	Lesson Description
1	PRE-TEST SURVEY			
2	Why Go To School If I Don't Have To?	Academics & Study Skills	Responsible Decision Making	Students will learn about all the benefits of higher education. Students will learn about different higher education options, income level associated with amount of education, and other non-financial benefits.
3	Taking Control Of Your Education	Responsible Decision-Making	Social Awareness	Students will identify ways to take responsibility for their learning.
4	Predicting The Future By Looking At The Past	Goal-Setting and Future Planning	Responsible Decision Making	Students will learn that while they may not have super-powers to see into the future, they can look back at past choices and behaviors to learn from the positive and negative consequences that followed. Students can start to predict how things will turn out for them if they make similar choices today.
5	Learning From Failure	Goal-Setting and Future Planning	Responsible Decision Making	Students will understand the importance of embracing rather than fearing failure as a learning opportunity
6	Let's Be S.m.a.r.t.!	Goal-Setting and Future-Planning	Responsible Decision Making	Students will define the components that create a S.M.A.R.T. goal.
7	Can I Do This Later?	Academics and Study Skills	Self-management	Students will prioritize tasks and use strategies to accomplish tasks within a specified time frame.
8	Learning How To Be A Creative Problem Solver	Academics and Study Skills	Responsible Decision Making	Students will understand that when you have a problem, you don't try to think of one perfect solution. Instead try to think of as many possible solutions as you can. This makes you look at the problem from all angles and find the best solution, not a perfect solution.
9	Let The Past Stay The Past	Behavior Management	Relationship Skills	Students will describe ways to move on after a conflict.
10	Reflect On Yourself	Behavior Management	Self-Awareness	Students will identify strategies for self-monitoring that allow for more positive consequences.
11	There's A Time And Place	Behavior Management	Self-Management	Students will identify when certain behaviors are appropriate and strategies to control inappropriate behavior.

Week	Lesson	Theme	CASEL Competency	Lesson Description
12	Think Before You Act In Anger	Behavior Management	Self-Management	Students will learn how to control their anger, and explore the consequences of uncontrolled anger.
13	Handling Compromise-Finding A Win-Win Solution	Behavior Management	Relationship Skills	Students will learn that when you disagree with a classmate or friend, it is important to remember that everyone has a point of view about how things should go. When those opinions don't align, it can be tough to find a perfect solution but it is important to compromise.
14	Keep Calm And Stop Bullying	Bullying & Prevention	Relationship Skills	Students will understand what is considered bullying behavior.
15	Think Before You Click	Digital Literacy	Social Awareness	Students will identify what information is appropriate to share online and describe the effects of online posting.
16	The Cycle Of Emotions	Emotional Health and Wellness	Self Awareness	Students will recognize negative thoughts and determine positive, realistic replacement thoughts.
17	I'm Feeling A Little Nervous	Emotional Health and Wellness	Self-Awareness	Students will learn that social situations are a part of life that can be handled.
18	Striving For Greatness	Emotional Health and Wellness	Self-Awareness	Students will identify traits and behaviors that demonstrate a positive self-concept including self-control, perseverance, and kindness.
19	You Are Now Entering Stress Boulevard	Emotional Health and Wellness	Self-Management	Students will learn ways to handle stress and strong emotions. Some techniques include grounding and deep breathing exercises.
20	What Do You Believe?	Global Empathy/ Perspective Taking	Social Awareness	Students will examine how people have different beliefs and ways to have tolerance for others' beliefs.
21	What Is Empathy?	Global Empathy/ Perspective Taking	Social Awareness	Students will build their knowledge of empathy and understand how it differs from sympathy
22	Friendships Can Change	Relationship Skills	Social Awareness	Students will identify why friendships change or end.
23	Can't Live With Them, Can't Live Without Them!	Relationship Skills	Social Awareness	Students will identify reasons why parents and kids don't get along and ways for them to get along.

Week	Lesson	Theme	CASEL Competency	Lesson Description
24	Do We Have To Work Together?	Relationship Skills	Social Awareness	Students will identify ways to work with others who they don't get along with.
25	How To Work Well In Groups	Relationship Skills	Relationship Skills	Students will recognize the qualities of effective group work. Students will identify strategies that can be applied to improve work in a small group setting.
26	How To Be A True Friend	Relationship Skills	Relationship Skills	Students will learn about the qualities of a true FRIEND: Fight for you, Respect you, Include you, Encourage you, Need you, Deserve you.
27	How To Be A Clear Communicator	Relationship Skills	Relationship Skills	Students will learn the importance of clearly communicating one's thoughts and opinions in a respectful way
28	Am I A Good Listener?	Self Regulation	Relationship Skills	Students will reflect on their listening skills and learn ways to improve their active listening
29	Being More Patient	Self Regulation	Self Management	Students will learn the importance of patience across domains and the role it plays in school, with friendships and at home
30	Improving Frustration Tolerance- How To Persevere	Self Regulation	Self Management	Students will learn ways to improve their frustration tolerance and persevere in spite of obstacles
31	Saving For Success	Goal-Setting and Future-Planning	Responsible Decision Making	Students will identify ways to save and make money.
32	Personal Hygiene	Physical Health & Wellness	Self-Management	Students will identify reasons puberty changes body chemistry, then explain ways to practice good hygiene.
33	Rules To Protect Yourself	Physical Health & Wellness	Social Awareness	Students will identify types of abuse and describe how to stop abuse.
34	Tobacco, Alcohol, And Saying No	Substance Abuse Prevention	Responsible Decision Making	Students will learn that tobacco and alcohol are legal substances that can be harmful, and identify how to say no to peers.
35	What Is Vaping?	Substance Abuse Prevention	Responsible Decision Making	Students will acquire general knowledge regarding the nature of vaping and its adverse health effects.

Week	Lesson	Theme	CASEL Competency	Lesson Description
36	It's Great To Share, Just Not Prescription Meds	Substance Abuse Prevention	Responsible Decision Making	Students will investigate reasons why it is unsafe to share prescription medicines.
37	Moving To Middle School	Life Goal-Setting and Future-Planning	Self-Management	Students will examine social, physical, and academic changes that occur in middle school.
38	POST TEST SURVEY			

Week	Lesson	Theme	CASEL Competency	Lesson Description
1	PRE-TEST SURVEY			
2	How To Prioritize A Busy Schedule	Self-Regulation	Self Management	Students will learn how to prioritize the expectations in their lives, including differences between what one must do and what one wants to do. Students will create a personalized timeline that enables them to complete the tasks at hand.
3	To Break Or Not To Break? The Truth About Rules	Behavior Management	Responsible Decision Making	Students will learn why people break rules and why it's a good idea to follow the rules, even when we want to break them.
4	How To Work On Teams Effectively	Relationship Skills	Relationship Skills	Students will recognize the importance and impact of focusing on the goals of the team over personal goals. Students will identify characteristics of effective teamwork. Students will recall the potential impact of working on diverse teams. Students will recall strategies for working on teams or in small groups effectively.
5	Study Skills	Academics and Study Skills	Self-Management	Students will identify study skills strategies for class tests.
6	Good Sportsmanship	Athletics	Relationship Skills	Students will learn the five key aspects of good sportsmanship. There can be big and little acts of sportsmanship.
7	Become A Creative Problem-Solver	Academics and Study Skills	Responsible Decision Making	Students will reflect on the problem-solving skills by exploring: What does it mean to be creative? What skills do good problem solvers use? What makes someone a creative problem solver and why is this important?
8	Stop, Think, Choose'	Behavior Management	Self-Management	Students will learn how to identify and apply the 'Stop, Think, Choose' strategy before acting.
9	The Truth About Anger	Behavior Management	Self-Management	Students will learn what anger is, myths about anger, and techniques to help you remain calm when anger strikes.
10	Being Accountable For My Mistakes	Behavior Management	Relationship Skills	Students will learn about accountability and being responsible for not only repairing damage that results from their mistakes, but also finding the lesson within it.

Week	Lesson	Theme	CASEL Competency	Lesson Description
11	Cyberbullying: What You Need To Know	Bullying & Prevention	Social Awareness	Students will learn the definition of cyberbullying, the importance of reporting it, and why some people bully.
12	How To Handle A Bully	Bullying & Prevention	Social Awareness	Students will learn about the importance of reporting, and ways to deal with a bully.
13	Beware What You Share: So You Think You Know Social Media?	Digital Literacy	Responsible Decision Making	Students will learn general use and safety when on social media.
14	Am I An Active Listener?	Self-Regulation	Social Awareness	Students will reflect on their own active listening skills by reviewing the definition and attributes of active listeners. Students will learn ways to be more engaged listeners at school and in life.
15	Your Brain, Body, And Strong Emotions	Emotional Health and Wellness	Self-Awareness	Students will understand what happens in your brain and body when you experience strong emotions.
16	Stress Signals: Knowing Your Emotions' Ways Of Asking For Help	Emotional Health and Wellness	Self-Awareness	Students will recognize stress as a signal of a problem
17	Improving Frustration Tolerance Thru Mindfulness	Emotional Health and Wellness	Self Awareness	Students will learn ways to improve their frustration tolerance by employing mindfulness techniques as a self-calming tool.
18	The Difference Between Sadness And Depression	Emotional Health and Wellness	Self-Awareness	Students will learn the difference between sadness and depression, the definition of depression and how to get help.
19	Learning From Failure	Emotional Health and Wellness	Self Awareness	Students will learn how to view failure through a growth mindset by understanding mistakes are learning opportunities.
20	How Can We All Get Along?	Global Empathy/ Perspective Taking	Social Awareness	Students will describe how recognition, tolerance, acceptance, and appreciation are steps to accept others
21	Growing My Empathy Skills	Global Empathy/ Perspective Taking	Social Awareness	Students will learn the key tenets of empathy and how they can practice more empathic behaviors to grow these skills.

Week	Lesson	Theme	CASEL Competency	Lesson Description
22	With Power Comes Great Responsibility	Responsible Decision-Making	Responsible Decision making	Students will identify reasons why people avoid taking responsibility and the benefits of accepting responsibility
23	Communication-Say What You Mean, Mean What You Say!	Relationship Skills	Relationship Skills	Students will learn how to express their personal opinions and find their voice in a crowd. Students will understand the importance of staying true to one's words.
24	How To Reach Your Goals	Goal-Setting and Future-Planning	Self-Management	Students will learn that goal-setting is a cyclical process; once you complete a goal you can start planning for the next goal. Students will learn the acronym SMART to create goals.

35	Lessons Of A Loan: Borrowing Money	Goal-Setting and Future-Planning	Responsible Decision Making	Students learn the cost of borrowing money
36	What Is College?	Academics & Study Skills	Social Awareness	Students will learn what college is and how college is different from their current school.
37	What Are The Important Steps To Getting Into College?	Academics & Study Skills	Self-Management	Students will learn the important steps that lead to college.
38	POST TEST SURVEY			

Week	Lesson	Theme	CASEL Competency	Lesson Description
1	PRE-TEST SURVEY			
2	Planning And Asking For Help	Academics and Study Skills	Self-Management	Students will plan a schedule that prioritizes responsibilities. Ask for help when needed to accomplish tasks.
3	A Friendly Influence: Do My Friends Influence My Behavior?	Behavior Management	Social Awareness	Students will learn that your friends influence your thinking and your behavior.
4	When Do I Struggle With Controlling Impulses?	Behavior Management	Self Management	Students will learn that some people have more trouble controlling impulses than others and methods on managing your impulses.
5	Practicing Mindfulness	Emotional Health and Wellness	Self Awareness	Students will practice mindfulness to expand their coping skills for use during stressful times
6	How Do I Really Feel?	Emotional Health and Wellness	Self Awareness	Students will telling your feelings from others' expectations
7	Pay Attention To Emotions	Emotional Health and Wellness	Self-Awareness	Students will make connections between emotions and situations that need attention.
8	Cutting/Self-Harm	Emotional Health and Wellness	Self Management	Students will learn helpful safety information about self-harm behaviors and how to get help for themselves or someone in need.
9	The Many Emotions Of Anger	Behavior Management	Self-Awareness	Students will learn the different types of anger, emotions that surface with anger, and how to empathize/cope with other people's anger.
10	Trail Maps: Assess Your Stress And Make A Plan	Emotional Health and Wellness	Self-Management	Students will learn to assess their level of stress and make a plan to combat it.
11	The Dangers Of Social Media	Digital Literacy	Responsible Decision Making	Students will learn that everything on the Internet isn't rosy (online predators, human trafficking, the dangers of sexting/explicit photos).
12	Pause Before The Click: A Lesson On Cyberbullying	Bullying & Prevention	Social Awareness	Students will learn the definition of cyberbullying, the importance of a reputation, and the ease with which we can 'cyberbully' while online
13	Speak Out! How You Can Stop Bullying	Bullying & Prevention	Social Awareness	Students will learn the importance of reporting bullying, speaking out, and not tolerating bullying behavior.

Week	Lesson	Theme	CASEL Competency	Lesson Description
14	Empathy For Others	Global Empathy and Perspective Taking	Social Awareness	Students will explore the core principles of empathy and its importance in our relationships with others
15	How Tolerant Am I?	Global Empathy/ Perspective Taking	Social Awareness	Students will identify ways that people criticize others and ways to practice tolerance with those we come in contact with everyday.
16	Sore Winners And Losers	Athletics	Relationship Skills	Students will learn how to take winning and losing in stride
17	Being Open-Minded About Racial And Religious Differences	Global Empathy and Perspective Taking	Social Awareness	Students will learn the joys that can be found in our differences: Life would be so boring if everyone thought the same way. We learn so much more from each other when we learn about opinions and ideas that are different from our own.
18	Short Term Vs. Long Term Goals	Goal-Setting and Future-Planning	Self-Management	Students will explain difference between short term and long term goals.
19	What Motivates Me?	Goal-Setting and Future Planning	Self-Awareness	Students will explore motivation by reflecting on: Are the things that motivate me on the outside, like good grades or cool clothes? Or am I someone who is motivated on the inside by my own heart and mind? Knowing the difference between internal and external motivators are the key to identifying what motivates students.
20	Introduction to Financial Literacy	Goal-Setting and Future-Planning	Responsible Decision Making	Students will be introduced to the concept of financial literacy including earning money, tracking spending and saving responsibly.
21	What Makes Me Unique And How Can It Help Me Achieve My Dreams?	Goal Setting and Future Planning	Self Awareness	Students will connect their passions and talents to determine what special gifts they have to share with the world.
22	Positive Body Images/Realistic Expectations	Physical Health & Wellness	Self Awareness	Students will learn about healthy weights and expectations for one's developing body.
23	Ah, The Sweet Life	Physical Health & Wellness	Responsible Decision Making	Students will identify ways sugar affects the body and describe ways to monitor one's intake of sugar.

Week	Lesson	Theme	CASEL Competency	Lesson Description
24	Everything In Moderation; Healthy Amounts Of Exercise And Healthy Nutritional Advice	Physical Health & Wellness	Self Management	Students will learn about the importance of moderation in diet and exercise because healthful habits are about balance.
25	How Healthy Are My Friendships?	Relationship Skills	Relationship Skills	Students will explore the importance of positive peer influence and the qualities that make for healthy friendships
26	How Much Should I Trust My Friend?	Relationship Skills	Relationship Skills	Students will recognize that friends need to earn your trust before you tell them everything, what to do when a friend breaks your trust, and how to build trust when you are the one who breaks it.
27	It's All In Good Fun, Or Is It? The Truth About Abusive Relationships	Physical Health & Wellness	Relationship Skills	Students will identify the warning signs of an abusive relationship and explain how to improve or leave abusive relationships.
28	Responsible Behavior At School Functions (Dances, Sporting Events, Etc)	Responsible Decision-Making	Responsible Decision Making	Students will learn how to positively represent their school while at events on campus and off campus
29	My Social Impact- Small Steps To Change To World Around Me	Responsible Decision-Making	Social Awareness	Students will feel empowered to make big differences in their world by starting with small changes in their own lives, such as conserving water, recycling and reducing food waste.
30	What You Should Know About Addiction	Substance Abuse Prevention	Responsible Decision Making	Students will learn the signs and symptoms of physical and psychological addiction, and what to do to get help for themselves or others.
31	Vaping- How To Handle Peer Pressure	Substance Abuse Prevention	Responsible Decision Making	Students will explore the topic of vaping by reflecting on topics like: Is it true that EVERYONE is doing it?! What should you say if someone wants you to vape with them? Can you say no thanks and still keep a friendship going?
32	Helping Out At Home	Responsible Decision-Making	Responsible Decision Making	Students will describe actions that can be done at home to help out the family and show responsibility
33	Life Transitions	Goal Setting and Future Planning	Responsible Decision Making	Students will view the experiences of other students transitioning from Middle School to High School

Week	Lesson	Theme	CASEL Competency	Lesson Description
34	High School Is Coming!	Life Goal-Setting and Future-Planning	Social Awareness	Students will explain ways that middle school and high school are similar and different and prepare for the transition
35	Advice For Finding The Right Friend Group In Hs	Relationship Skills	Relationship Skills	Students will learn ways to foster new friendships and nurture existing friendships by looking at relationships through the lens of shared interests
36	The Four Year Plan To Your Future	Academics & Study Skills	Self-Management	Students will learn what they should do each year of high school to prepare for college.
37	Transitioning From Middle School	Goal Setting and Future Planning	Self Management	Students will learn about the transition from Middle School to High School
38	POST-TEST SURVEY			

Week	Lesson	Theme	CASEL Competency	Lesson Description
1	PRE-TEST SURVEY			
2	Making Plans: Freshman Year And Beyond	Academics & Study Skills	Self-Management	Students will be able to explain the importance of a transcript and what is on it, and describe what should appear on a high school resume.
3	Building Your Systems: Taking Notes And Organizing Materials	Academics and Study Skills	Self-Management	Students will understand the benefits of note-taking and organizational systems with the purpose of being ready to learn and work.
4	Advice For Finding The Right Friend Group In Hs	Relationship Skills	Relationship Skills	Students will learn the importance of finding a positive peer group in high school
5	Good Habits And Goal Setting	Goal-Setting and Future-Planning	Self-Management	Students will identify ways to break old habits and develop new habits, focusing on their triggers and reward systems in order to achieve success.
6	How Long Will This Take?: How To Manage Your Time Effectively	Academics and Study Skills	Self Management	Students will learn that Task Completion Estimation is a big term for a small thing- how long does it take to get things done? When you know about how long it takes to complete projects, chores, homework, errands- then you can manage your time more successfully and accurately
7	Class Conduct Determines Future Success	Behavior Management	Self-Management	Students will understand the importance of soft skills for future job success and learning in the classroom.
8	Responsible Behavior At School Functions (Dances, Sporting Events, Etc)	Responsible Decision Making	Responsible Decision Making	Students will learn expectations for attending school functions both on and off campus as well as during or beyond school hours.
9	Tame That Temper	Behavior Management	Self-Management	Students will learn how to control anger, and why it is important to find healthy outlets for negative emotions instead of suppressing anger.
10	When Impulses Get The Better Of You	Behavior Management	Self-Management	Students will learn how to identify triggers and get back on task.
11	Bullying 101	Bullying & Prevention	Social Awareness	Students will learn the basics about bullying, bystanding, and ways to respond to bullying situations.

Week	Lesson	Theme	CASEL Competency	Lesson Description
12	Confronting Cyberbullying	Bullying & Prevention	Social Awareness	Students will learn that cyberbullying can include photos, threats, harassing messages, videos, fake websites, fake profiles, among other things.
13	Knowing When To Take A Stand	Global Empathy/ Perspective Taking	Responsible Decision Making	Students will understand the importance of being an advocate for those who need a voice
